August Belmont's renowned filly, How Pair, left the barrier next to last and met with interference too. She didn't get to running at her best until rounding the bend for home. Then she fairly flew and finished a good fourth. Blossom Time carried 114 pounds and covered the distance in 1:23 4-5, three-fifths of a second slower than Sally's Alley time.

Johnson on Both Winners.

While Sally's Alley and Blossom Time were making turf history so was Albert Johnson. This great race rider rode both winners and like Mr. Kilmer's filly outclassed his opponents including the renowned Earl Sande. He rode faultilessly. He got each of his mounts off on their toes, used excellen judgment throughout and in Blossom Time's case probably got the second best horse home in front. Seldom, if ever, has a jockey rode such stake winners in one year as has Johnson this season. He practically swept the boards.
